Dear Jim,

Thank you so much for your generosity to the Yoder Brothers Foundation. I am truly humbled by your continued support of our efforts to help young men and women pursue higher education.

Although we have not completed the final financials, we will enhance the scholarship fund by about \$37,000. We could not have accomplished this goal without wonderful people like you.

As you may know, this was the final year of the golf outing and we are currently exploring new options of fund raising.

On behalf of the Board of Trustees, the recipients and graduates, I express our sincerest appreciation for your continued support and generosity. Thank you for making our mission – to celebrate the lives of Joshua and Tyler and their legacy of helping young men and women pursue their dream of higher education a reality.

Sincerely,

Kara Yoder
