Dear Jim:

Thank you for your recent donation to my campaign. I am extremely grateful for your support.

This year continues to present challenges for our country. However, I believe in the determination and resolve of our citizens. We are at a pivotal moment in our country's history, and I am committed to finding solutions that protect the lives and livelihoods of Northeast Ohio families.

During this congressional session I have reintroduced a bill to protect people with pre-existing conditions and supported expanding telehealth access. Additionally, I am proud to fight for our veterans by acting as the co-lead on the Veteran Suicide Prevention Act. I continue to review legislation that will provide relief to our small businesses and help them recover from the economic impact of the pandemic. Finally, I continue my efforts to protect and preserve our Great Lakes. We are fortunate to have Lake Erie, one of Ohio's finest natural resources, in our own backyard.

Once again, thank you for your help. I am honored to have you in my corner helping me fight for Northeast Ohio values in Washington.

Thank you,

Dave Joyce
Member of Congress
