Dear Jim,

On Saturday, March 6, community leaders, program alumni, and distinguished guests gathered virtually and at satellite locations to support Leadership Geauga and the Emerald Ball. This special evening included the presentation of the 2021 Emerald Leader Award to Barbara Titus of Sheoga Hardwood Flooring, games, auctions, music, and a much-needed night of celebration. With virtual attendees and in-person guests at three satellite locations, it was an energizing, unique, and one-of-a-kind event!

Thank you for your donation of a *Green Egg Grill and 4-H Meat Bundle* to the Emerald Ball, our annual fundraiser. The proceeds sustain and enable us to offer our highly regarded adult and youth leadership and community education programs throughout the year. All the money raised stays in Geauga County to help us positively impact the community. For over 25 years, Leadership Geauga has been building bridges between the public, private, and non-profit sectors with annual programs that connect and inspire seasoned and future decision-makers of Geauga County. We are very grateful for your donation and are honored to have you as a community partner.

Thank you once again for your support!

Sincerely,
The Emerald Ball Team
Leadership Geauga
