

THANK YOU

Dear Proud Supporter of St. Mary School,

I thank you for donating to the Annual St. Mary School Auction. Your support of our school makes it possible for us to make many improvements. Because of your generosity, we now have laptops for all the students in grade 6-8, new desks for all classrooms, two iPad carts, and continuous school improvements are able to be made.

We appreciate you and your willingness to help St. Mary School continue to improve the quality of Catholic education for all students.

Sincerely,
Tyler, 4th grade
