Dear Jim:

A lot has changed at the Y over this past year, but our commitment has remained the same—to always be here for our community when people need us most, with open arms and caring hearts.

When the devastating effects of COVID-19 swept across the country and landed on our doorsteps, we quickly mobilized to provide our community with essential services. Thanks to the unwavering support of our staff, members, volunteers, and donors like you, our YMCA has been able to continue offering people a critical lifeline as we work to help our community recover and thrive. Your generosity has helped make our work possible, and we cannot thank you enough for your support as we navigate these challenging times together.

On behalf of the Lake County YMCA, I want to thank you for your donation of 5 (\$100) gift certificates to our 9th Annual Gala of Y Champions live auction. With your assistance, our event raised over \$64,000 that will provide critical funding that enables the Y to make an impact in our community and live out our mission to ensure that ALL are welcome and can participate in programs, classes, and activities that build a healthy spirit, mind and body for all.

Thank you again for supporting our Gala of Y Champions! It is participation from community members like you that drive the success of the event and in turn, the success of our mission. Wishing you a safe and happy holiday season!

Kindest Regards,

Sarah Baggott
Director of Development
